

A portrait of Eren Keskin, a woman with dark hair pulled back, wearing a black and white patterned top with a green bow on the shoulder. She is looking directly at the camera with a serious expression. The background consists of a window with blue floral-patterned curtains.

END HARASSMENT OF EREN KESKIN

**AMNESTY
INTERNATIONAL**

Dear Minister,

Eren Keskin is a human rights lawyer who has dedicated her life to defending the rights of women victims of sexual violence and for the exercise of the right to freedom of expression. She has been repeatedly prosecuted over the years and imprisoned.

Now she is at risk of being imprisoned again. Eren Keskin is currently facing over 120 separate prosecutions for her role as symbolic editor-in-chief of the pro-Kurdish newspaper *Özgür Gündem* which was banned in 2016. In supporting the newspaper Eren Keskin has merely exercised her right to freedom of expression.

WE THEREFORE CALL ON YOU TO

- make sure that any judicial harassment of Eren Keskin is ended.
- ensure that Eren Keskin can continue her human rights work without restrictions or fear of reprisals.
